

INVESTMENT TEASER: ATHENS URBAN LIFESTYLE HOTEL

Exclusive Opportunity to Acquire and Complete a Hotel in the Heart of Athens

PROJECT OVERVIEW

- **Location:** Athens City Center (within a 2km radius of Syntagma and Monastiraki Squares).
- **Status:** External facade and structural works completed ("Shell & Core"). Active construction permit in place (Revision AA 925790).
- **Asset:** 9-story building including a basement and a functional rooftop
- **Key Specifications:** 64 guest rooms (25–36 m²), Wellness & SPA area (300 m²), panoramic rooftop pool.

UNIQUE SELLING PROPOSITION (USP)

- **The Million-Dollar View:** A signature rooftop bar and pool offering direct, unobstructed views of the Acropolis and the Parthenon — a primary tourist magnet and driver for high ADR.
- **Strategic Location:** Situated in the epicenter of tourist and business traffic (10 mins to key landmarks, 26 mins to Piraeus Port).
- **Ready for Finishing:** The "shell & core" status eliminates structural construction risks and allows the buyer to implement a custom design for a 4* Deluxe or 5* boutique concept.
- **Smart-Hotel Infrastructure:** The project is designed for modern automation (MEP systems) and efficient space utilization to maximize profitability.

INVESTMENT SCENARIOS

We present two strategic paths based on the investor's goals:

Metric	Scenario 1: Master Lease	Scenario 2: Asset Acquisition
Entry Type	Operational Management (35 years)	Full Ownership of the Asset

Purchase Price / Rent	€40,000 / month (2-year rent)	€12,000,000
------------------------------	-------------------------------	-------------

Metric	Scenario 1: Master Lease	Scenario 2: Asset Acquisition
	holiday)	
Completion CAPEX	\$3.5M – \$4.5M	€4,000,000
Target Return (ROE/Yield)	30-35% ROE	8.25% Yield

FINANCIAL POTENTIAL (ASSET ACQUISITION)

- **Total Project Budget:** €16,000,000 (including acquisition and fit-out).
- **Projected Annual NOI:** €1,320,000.
- **Capitalization:** Estimated market value upon stabilization — €22,000,000 (at a 6% Cap Rate).
- **Equity Gain:** Capital appreciation of ~€6,000,000 (37.5%).

INVESTOR ADVANTAGES

1. **Quality Control:** Full freedom to install high-spec HVAC, soundproofing, and smart-room technology.
2. **Golden Visa Shield:** This investment is an ideal vehicle for the Greek Golden Visa program, meeting all minimum requirements.
3. **Defensive Asset:** Real estate in central Athens is a high-liquidity asset, providing a strong hedge against inflation.
